ASSP KC MEETING WITH KSE CHAIRMAN

ASSP executives meet with the KSE chairman.

ASSP-KC meet with KSE chairman

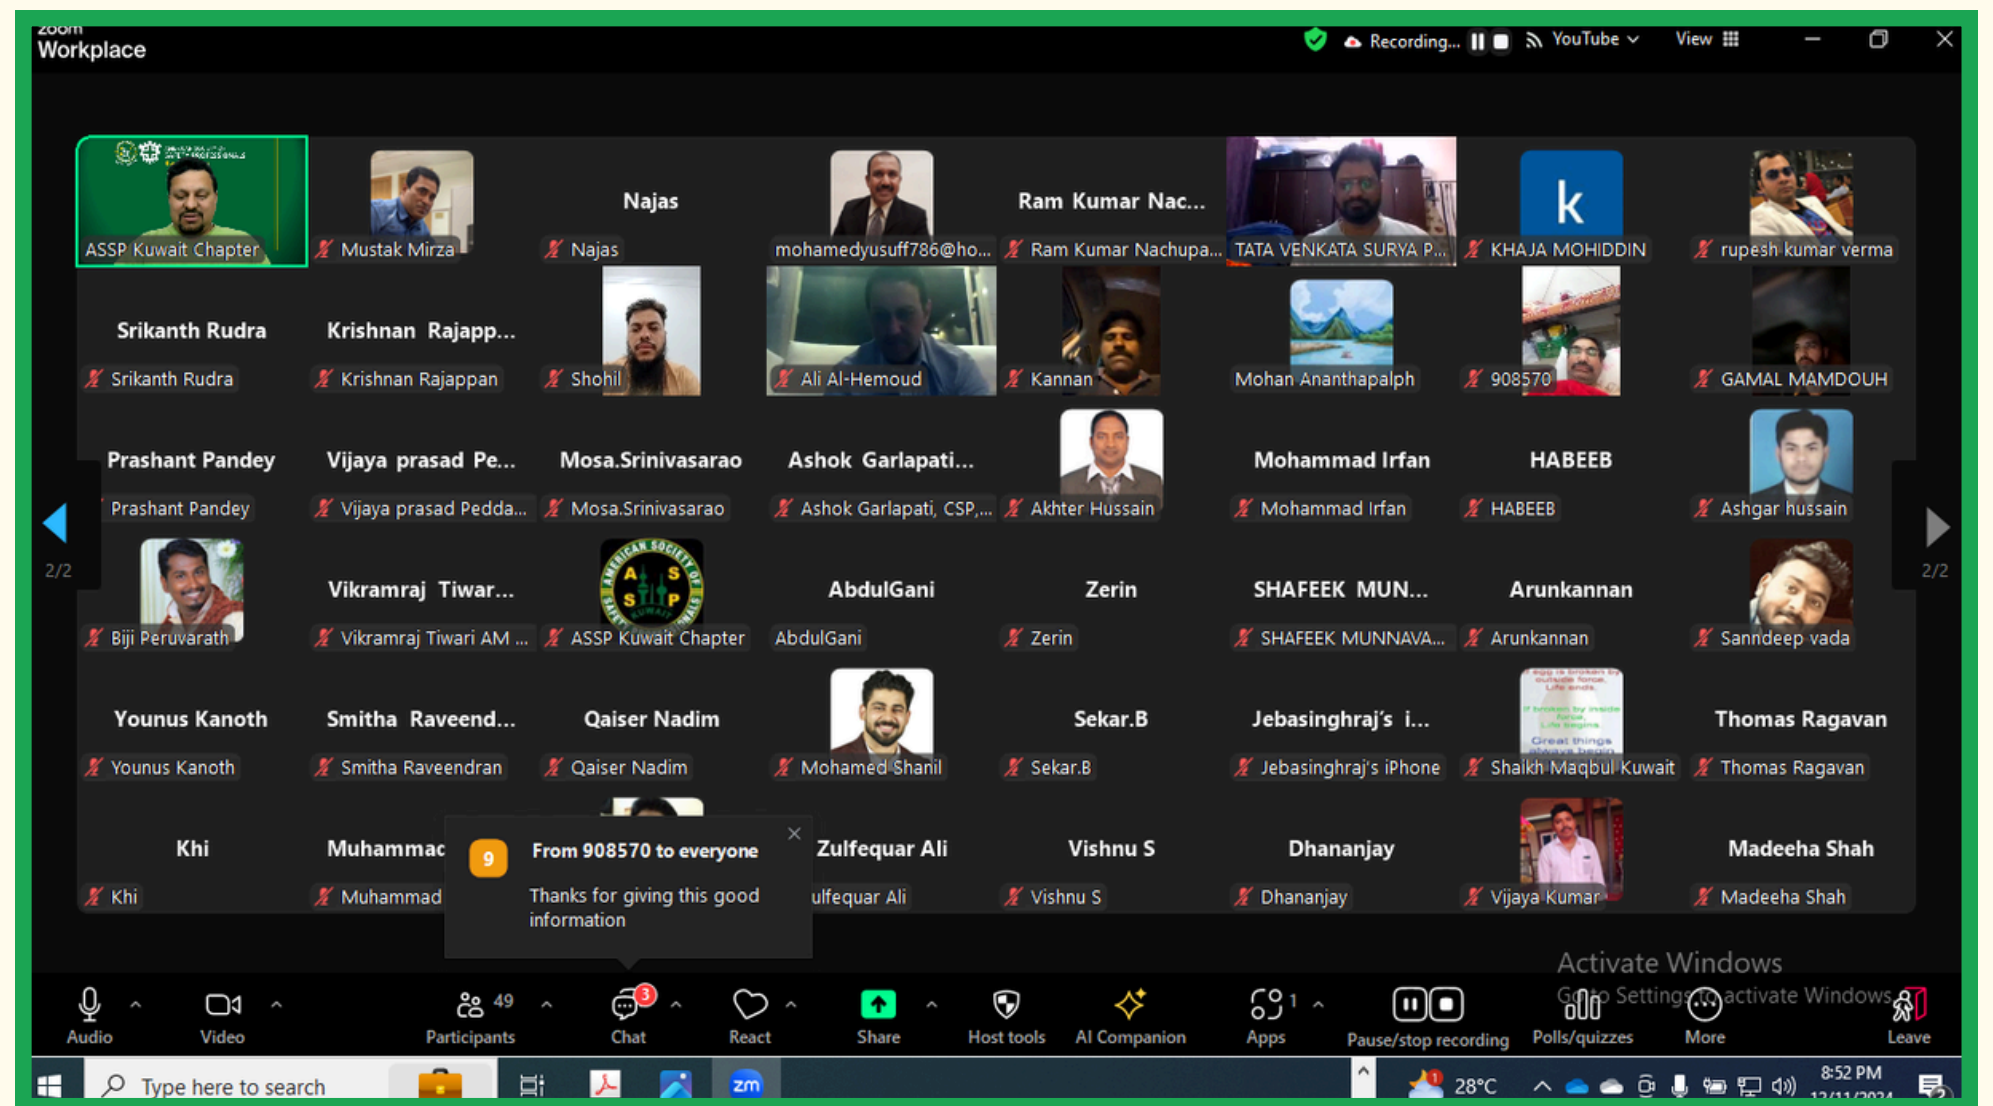

The American Society of Safety Professionals – Kuwait Chapter (ASSP-KC) met with Kuwait Society of Engineers Chairman, Eng. Faisal Al-Atal, to discuss various issues related to cooperation and support between the two Societies that have Memorandum of Understanding (MoU) between them since the year 2001 aimed at strengthening mutual support and collaboration between the two organizations.

The training and awareness pro-

grams was the important part in the meeting where both parties agreed to work together to serve the society people in different types of professional jobs training and utilizing KSE training center and facilities.

The meeting was attended by Engineer Fadhel Al Ali, chairman, Mr. Bader Mubarak Hadhrami, President and Eng. Hanan Almoammad, Deputy Director of the 12th International HSE and Loss Prevention Professional Development Conference 2025.

ASSP TECHNICAL MEET PSM-32

ASSP-KC PSM Forum Hosts Successful Technical Meet-32

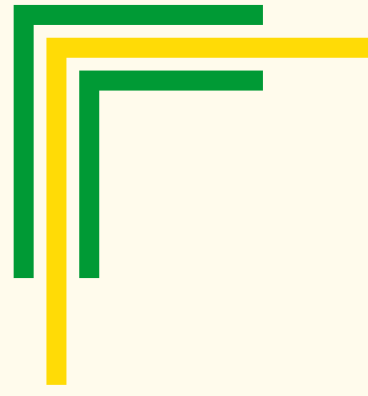

The The ASSP-KC Process Safety Management (PSM) Forum organized its 32nd Technical Meet on November 12th, 2024 with an impressive attendance of 65 participants.

The session featured two key presentations:

1. **Fundamentals of Process Safety Management** by Mr. V. Narsimhan
2. **AP-LEEP Review** by Mr. Tata Venkata Surya Prakash

The meeting was conducted via Zoom platform and also live on YouTube, ensuring accessibility for members and professionals. The engaging discussions and expert insights provided valuable knowledge to all attendees, reflecting ASSP-KC's commitment to advancing safety practices.

Thanking our esteemed speakers and all participants for making this event a success!

ASSP TRAININGS FIRST AID & CPR

ASSP-KC Conducted Successful First Aid & CPR Training at PCIC

On November 11, 2024, the ASSP Kuwait Chapter organized an impactful First Aid & CPR Training session at the Petroleum Company Industrial Center (PCIC). The session was led by the esteemed trainer, Ms. Noor Al Sadi, who shared her expertise and guided participants through essential life-saving skills and practical knowledge to respond effectively during emergencies.

The training was attended by safety professionals and members committed to enhancing their readiness for workplace and community safety.

ASSP-KC continues to prioritize professional development and life-saving initiatives, empowering members with crucial competencies for a safer future.

Thank you to Ms. Noor Al Sadi and all participants for making this session a success!

ASSP TRAININGS

SELF-CONTAINED BREATHING APPARATUS (SCBA)

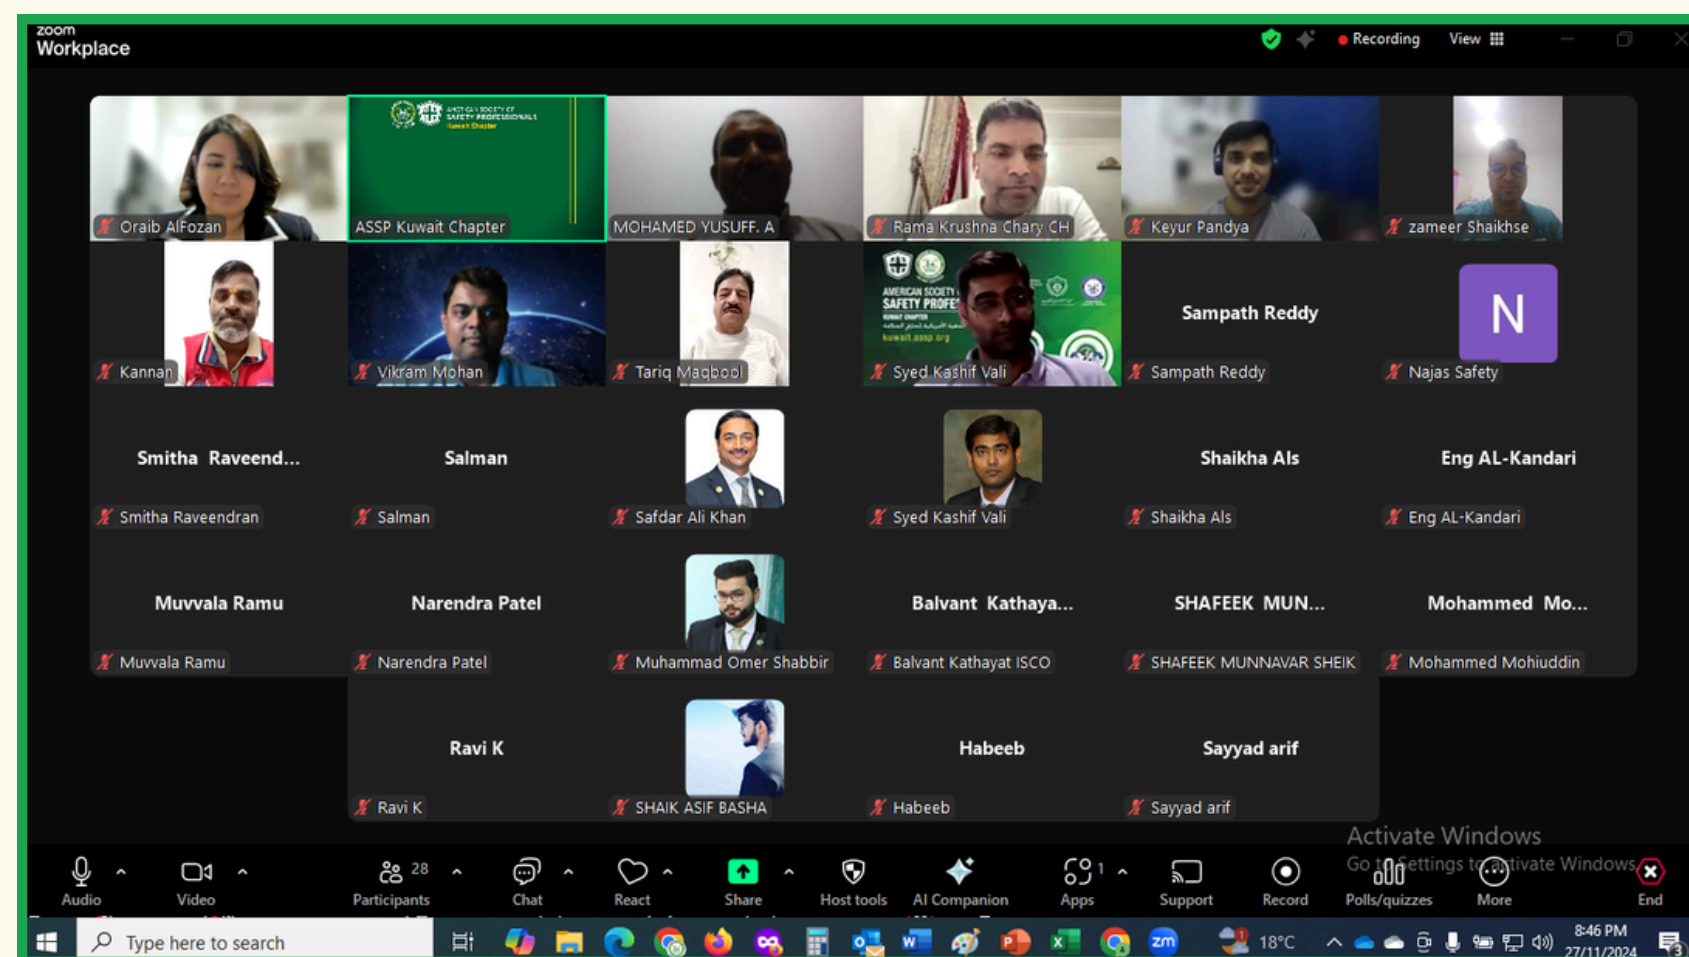

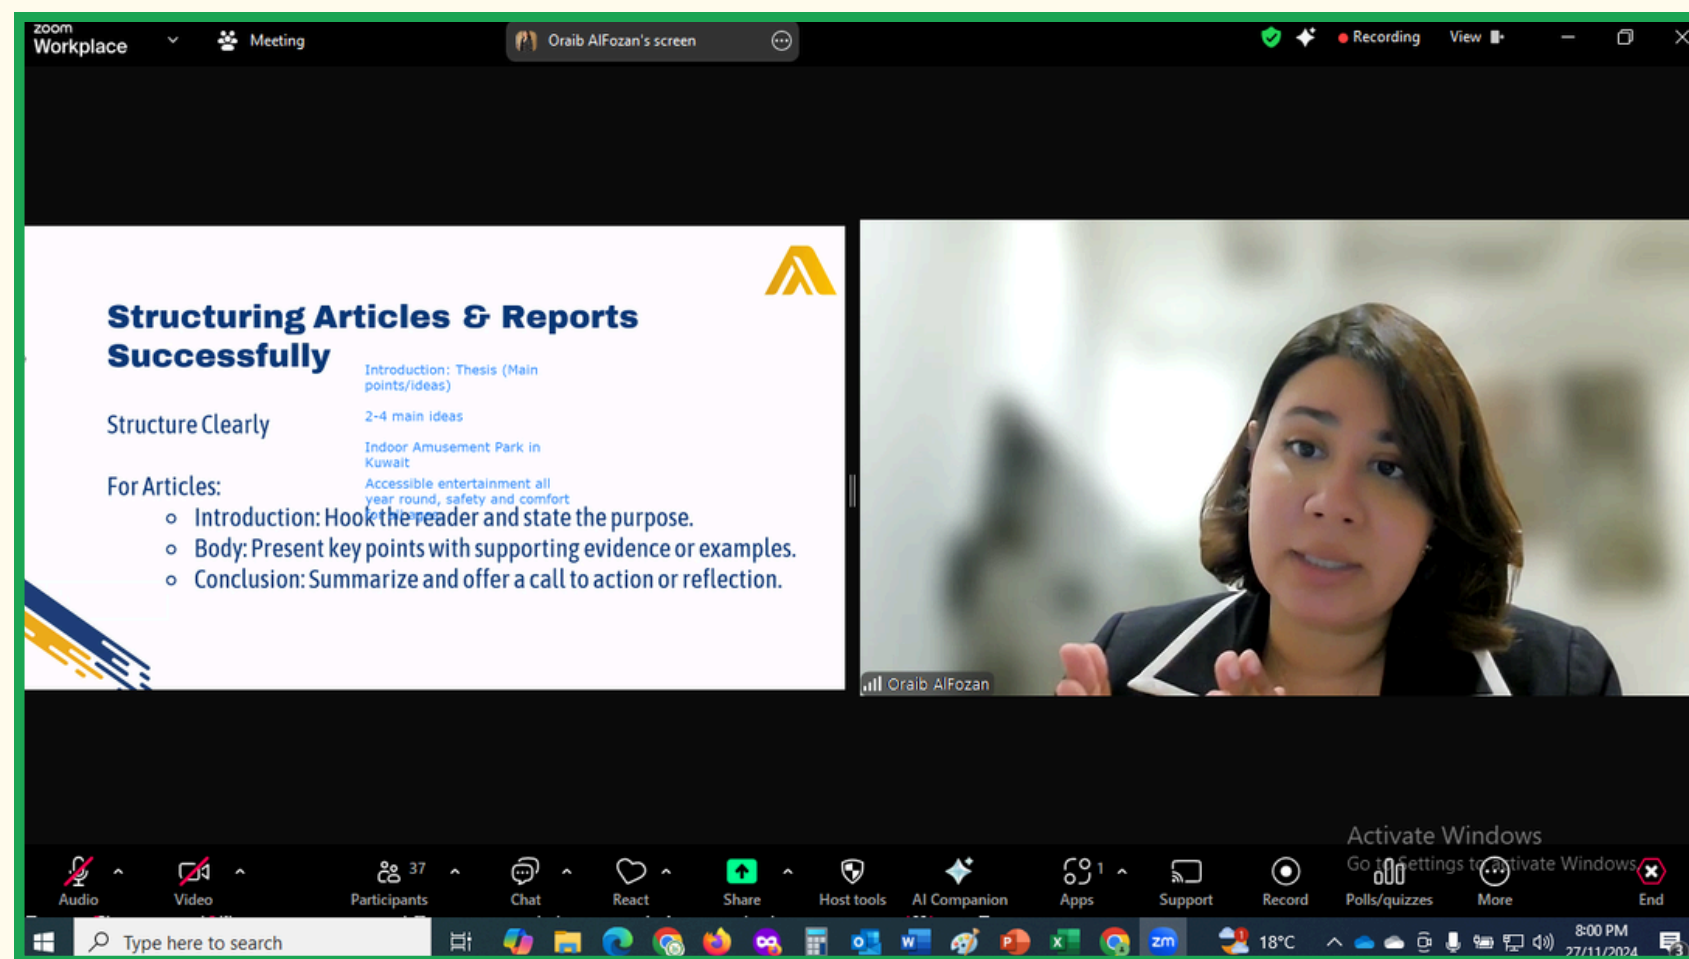

ASSP-KC Successfully Conducted SCBA Training Program

The ASSP Kuwait Chapter successfully conducted a Self-Contained Breathing Apparatus (SCBA) Training on November 20, 2024, at PCIC. The session was expertly led by Mr. Jahid Thakur, who provided participants with critical knowledge and hands-on skills for effectively using SCBA in emergency situations.

This training emphasized safety preparedness and enhanced participants' abilities to handle hazardous environments confidently.

We extend our heartfelt gratitude to Mr. Jahid Thakur and all attendees for their active participation in making this training a success!
