ASSP Kuwait Chapter is delighted to have been awarded ISO 9001:2015 certification, an internationally recognised standard that ensures their products and services meet the needs of customers through an effective quality management system.

ASSP Kuwait Chapter decision to work towards ISO 9001:2015 accreditation demonstrates their commitment to continually improving their services. To become ISO 9001:2015 compliant, the ASSP Kuwait Chapter team who are based in the state of Kuwait, underwent an extensive audit that measures key performance indicators like Quality management system development, a management system documentation review, pre-audit, initial assessment, and clearance of non-conformances.

ISO is one of the most rigorous and well-regarded standards in the world. American Society of Safety Professionals, (ASSP) Kuwait Chapter were audited by TUV Nord and were presented with their certificate in September 2019.

“Four years ago, I attended my very first Toastmasters meeting at ASSP Kuwait Toastmasters club. At the time I had no idea what a profound effect Toastmasters would have upon my life and career! Now, as I look back over my time as a member it’s easy to see the amazing impact it has had.”

**Immediate Past President & IPA19D**

## Benefit of joining ASSP-KC toastmasters 🙌 🙌

We have witnessed many of our peers lacking confidence to utilize English in their conversations or having debilitating fear of public speaking. But for succeeding in our HSE career, improving our English-speaking skills has become a necessity.

To overcome this fear, we can pay thousands of dollars for training from a tutor which is necessarily not effective and can be a hit or miss. Or you can join Toastmasters for fraction the amount and upgrade your speaking skills. If this is what you have in mind look no further than the ASSP- KC Toastmasters club. Our members have improved their speaking skills leaps and bounds since joining the club which in turn has given a platform to improve safety at the workplace.

Toastmasters club is a nonprofit educational organization that helps you in communicating effectively in English. You can join the ASSP-KC TM Club to improve your confidence , relationships and make the case for improving safety at your workplace. TM also plays a vital role in developing your communication skills and for enhancing your self-esteem.

By joining a group of people who are like-minded you are always pushing yourself to improve and have a platform to practice speaking in front of others in a supportive environment where feedback is prioritized over criticism. Don’t wait anymore – Call VP – Membership Najaz at 66610538 to be a part of this glorious journey.

## Upcoming events in ASSP-KC:

1. PSM's LOPA Awareness Session.
2. EOD/UXO Awareness session.
3. Technical Meet on Radiation Safety (NORM)
