Working Together for a Safer, Stronger Future.

ASSP Kuwait Chapter is delighted to have been awarded ISO 9001:2015 certification, an internationally recognized standard that ensures their products and services meet the needs of customers through an effective quality management system.

ASSP Kuwait Chapter decision to work towards ISO 9001:2015 accreditation demonstrates their commitment to continually improving their services. To become ISO 9001:2015 compliant, the ASSP Kuwait Chapter team who are based in the state of Kuwait, underwent an extensive audit that measures key performance indicators like Quality management system development, a management system documentation review, pre-audit, initial assessment, and clearance of non-conformances.

ISO is one of the most rigorous and well-regarded standards in the world. American Society of Safety Professionals, (ASSP) Kuwait Chapter were audited by TÜV Nord and were presented with their certificate in September 2019.

I am very privileged to be the chairman of ASSP Kuwait Chapter since the chapter's inception in 2000.

The ASSP-Kuwait chapter envisions developing into a center of excellence providing professional guidance, services, consultancy and resources to the Industrial and Social sectors in the region on matters related to Health, Safety and Environmental Protection.

ASSP Kuwait Chapter is an ISO 9001:2015 certified non-profit organization of professionals committed to the advancement of Health, Safety and Environment (HSE) practices among the Industrial sectors and social groups in Kuwait. ASSP, USA was established In1911.

Bader Al-Hadhrami, MSc., 2024-25 ASSP-KC President

Dear Members of the ASSP-Kuwait Family,

It is with great honor and enthusiasm I engage you as the new elected President of our society. As we embark on this exciting journey together, I am filled with optimism and a clear vision for the future of our chapter.

Our world is evolving at an unprecedented pace, and the field of Health, Safety, and Environment (HSE) is no exception. As professionals dedicated to safeguarding lives and promoting well-being, it is imperative that we not only keep pace with these changes but also lead the way in innovation and creativity.

Beyond Tradition

Our chapter's theme for the coming term will be centered around moving beyond tradition by fostering innovation and creativity. We will actively seek out and embrace new technologies and approaches that can enhance our practices and implementations. By leveraging the latest advancements, we aim to set new benchmarks in our chapter's performance and achieve transformative changes.

How can we do it?

We recognize the importance of tools that provide us with deeper insights and more effective solutions to the challenges we face. Establishing collaborative platforms where members can share ideas, innovations, and best practices will be a priority. These platforms will facilitate knowledge exchange and inspire creative solutions to common HSE issues.

Continuous learning will be at the heart of our chapter. We will organize workshops, seminars, and training sessions focusing on new technologies and methodologies. These initiatives will equip our members with the skills and knowledge needed to excel in a rapidly changing landscape.

Our strength lies in our community. We will ensure that every member's voice is heard and valued. Your ideas, feedback, and participation will be crucial as we navigate this journey together.

Commitment to Excellence

As we move forward, my commitment to you is to lead with transparency, dedication, and a relentless pursuit of excellence. Together, we will transform challenges into opportunities and set new standards for HSE practices not only within our chapter but across the industry.

The American Society of Safety Professionals, Kuwait Chapter (ASSP-KC), an ISO 9001 certified non-profit organization committed to advancing Health, Safety, and Environment (HSE) practices among industrial sectors and social groups in Kuwait, organized its Annual General Body Meeting on 4th July 2024 at the B5 Auditorium of Kuwait Oil Company.

Mr. Mohamed Yusuff A., Acting Vice President & Secretary, started the meeting with a welcome note and invited the chairman to the dais. Eng. Fadhel Al-Ali, Chairman of the ASSP Kuwait Chapter, in his welcome speech, praised the activities performed by the office bearers of 2023-24 and sincerely thanked KOC for providing the venue for the event.

Mr. Safdar Ali Khan, President of ASSP Kuwait Chapter, joined via ZOOM from India during his vacation and delivered his speech. He commended the support from his team during his tenure and congratulated the newly elected and honorary members for the term 2024-2025. He also highlighted the upcoming major events: the ASSP GCC HSE Excellence Award 2024 and the 12th International HSSE Loss Prevention & Professional Development Conference 2025.

Mr. Mohamed Yusuff A. presented the annual report, detailing the events, workshops, and webinars organized by the respective committees. The event was attended by Ex-Presidents of ASSP-KC, the President of the Board of Directors of BCSP, ASSP Region IX (Global) Vice President, and other advisory and committee members, all of whom were recognized for their contributions.

A technical presentation on "An Overview of KOC Life Saving Rules" was delivered by Mr. Ashok Garlapati, CSP, QEP, CFIOSH, HSE Consultant at Kuwait Oil Company. Additionally, Mr. Sunil N. Sadanandan gave a brief presentation on the importance of Toastmasters in helping HSE professionals enhance their communication and leadership skills.

The meeting concluded with giveaways to all members and a buffet dinner sponsored by the chapter.

ASSP-KC conducted the orientation meeting on 18th June 2024 at Al-Kout beach hotel, Mangaf, Kuwait for the newly nominated Heads, Deputies of the committees for the term 2024-2025. Chapter Secretary Mr. Kashif kick started the meeting with the opening remarks wherein he briefed the objective of the orientation meeting. He thanked all the Committee Heads & Deputies for accepting the volunteer positions to serve the Chapter voluntarily.

Mr. Bader, President welcomed the participants and briefed on the history of the chapter in brief and the organization structure of the Chapter. He emphasized on the important role of the committees and the major targets to be achieved during the term 2024-2025.

Further Mr. Bader, delivered a presentation which featured the roles and responsibilities of each Committee, expectations & Chapter protocols.

The meeting concluded with closing remarks by Chapter Vice President Mr. Yousuf, and other senior members of the chapter, who wished all the committees for a successful year ahead. Around 40 members participated in the meet that included Elected Members, Committee Heads, Deputy Heads the Chapter Term 2024-2025 and Chapter Administration Executives.

As per the chapter procedures and protocols Voluntary honorary appointment letters were handed over to the heads / Deputies / Advisory Members / Mentors by the core committee of ASSP Kuwait Chapter. Meeting was concluded with a cake-cutting ceremony for celebrating the end of Mr.Safdar's tenure as ASSP-KC President for term 2023-2024.

The Women and Youth in Safety Excellence (WYISE) committee of the American Society of Safety Professionals – Kuwait Chapter (ASSP-KC) recently held a comprehensive first aid training for Safety Juniors at IHS Towers Company. The training, focused on equipping young safety professionals with essential first aid skills, was a significant step toward enhancing workplace safety.

The session included practical demonstrations, hands-on exercises, and interactive discussions led by experienced safety professionals by Engineer Noor El Sadi and Engineer Hanan who is the head of WYISE committee. Participants learned how to respond effectively to common workplace injuries, such as cuts, burns, and fractures, as well as how to administer CPR and use automated external defibrillators (AEDs). The training not only provided critical knowledge but also reinforced the importance of safety leadership among emerging professionals.

By empowering Safety Juniors with these vital skills, WYISE and ASSP-KC continue to promote a culture of safety and preparedness within the industry, ensuring that the next generation of safety leaders is well-equipped to handle emergencies and contribute to safer workplaces.

Congratulations for Achieving
