ASSP Kuwait Chapter

About

ASSP Kuwait Chapter was founded in 2000 is the Kuwait's premier voluntary, non-profit making Health, Safety and Environmental organization that strives to provide professional guidance, training, consultancy and resources to the industrial and social sectors in the region. In pursuance to its lofty goals and objectives the society has been organizing international Conferences, Technical meets, Training programs and Outreach activities on way to become one of the most active professional bodies in the Middle East. ASSP is a group of HSE professionals who are deeply associated with the society activities on a voluntary basis to meet the objective of protecting people, property and environment. Keeping the local and global HSE challenges in view, ASSP-Kuwait Chapter has been organizing many events. Already recognized as the busiest professional association of Kuwait in a very short period of time the Chapter has achieved a string of successes and looking forward to reach greater heights in the years to come.

Objective of ASSP Kuwait Chapter

- 1** To provide up to date information, knowledge, techniques and tools to the HSE professionals in Kuwait
- 2** To work with industries and help bring up the consciousness and knowledge level
- 3** To create awareness among general public on issues related to HSE aspects
- 4** Its mission to advance the technical, scientific, managerial and ethical knowledge to HSE professionals
