The American Society of Safety Professionals (ASSP)– Gulf Cooperation Council HSE Excellence Awards were introduced to recognize leadership, excellence and encourage exceptional performance in the field of Health, Safety and Environment within private sector in the Gulf Region. The Awards are instituted by the American Society of Safety Professionals Kuwait chapter, a non-profit voluntary organization. There evidence-based awards showcase successful business models of organizations that uphold HSE management as a business value and excel in performance.

AWARD SCHEME

The award scheme is devised to recognize and reward GCC private sector organizations that have successfully managed workplace risks, enhanced their Health, Safety, and Environment (HSE) performance, and conducted ethical business practices over the course of the year.

- The awards are open to all **private sector organizations** of GCC Countries.
- **Application** shall be submitted to ASSP Kuwait Chapter.
- Submitted applications shall be evaluated by the independent panel of HSE professionals from ASSP, headed by the President ASSP-USA, Vice President – Global Region ASSP-USA and President ASSP-Kuwait Chapter
- If any additional information or clarification is required, the applicant will be invited to deliver a presentation.
- The winning organizations will be invited to the **ASSP GCC HSE Awards Banquet**, Gala Dinner and HSE Exhibition; through a Winner Package, which will be communicated along with the announcement of the award.
- Organizations willing to showcase their HSE milestones, products and services can participate in this exclusive **HSE exhibition**.
- The decisions of ASSP GCC HSE Excellence **Award Adjudication Panel** shall stand final.
- The winning organization will receive:
 - a. **Award Certificate**
 - b. **Commemorative Plaque**

HSE Excellence Award

Award Categories:

- Engineering & Construction
- Manufacturing
- Oil & Gas, Petrochemical
- Facility & Maintenance
- Sectors (Projects, Contract Specific or Services)

Other Awards

1. CSR award
2. Environmental Excellence Award
3. Best Risk Management Award
4. Best HSE Initiative Award
5. Management of Driving Safety Award

Note: Based on various benchmark set in the evaluation criteria, the companies will be awarded Platinum, Gold, Silver and Bronze for HSE Excellence Categories and Gold, Silver, Bronze for other awards categories.

Special recognitions shall also be presented:

GOLD MEDAL

Recognizing the organizations who have consecutively won the HSE Excellence Gold Award for five times (including current year).

BEST DEBUT ENTRY

Recognizing the best entry from organizations participating for the first time.

BENEFITS OF PARTICIPATION

- Provides a means of recognizing and celebrating HSE achievements.
- Motivates the sustained high performance of HSE practices.
- Gains exceptional regional and international recognition for exemplary HSE performance
- Offers a competitive edge for attracting customers and clients, enhancing business prospects.
- Positions the organization as responsible in the eyes of employees, the public, and regulatory bodies.
- Provides an opportunity to contribute to Corporate Social Responsibility, Sustainability, and Business Continuity.

ELIGIBILITY CRITERIA

The awards are open to all private sector organizations in GCC countries. Award applications should pertain to specific organization's (site) or business unit(s) that have demonstrated consistent or sustained leading performance and continual improvement in HSE over the **Previous three calendar years**. However, companies or projects with less than three years of HSE performance statistics are also encouraged to participate.

For other awards, the evaluation criteria will be based on performance or initiatives for the **Calendar year 2023**.

Last day for submission **October 30, 2024**

Awards Declaration **November 30, 2024**

Award Ceremony **December 19, 2024**

ASSP GCC HSE Excellence Grand Awards Ceremony Features

Points of Reference

Fatal Case:

Fatal Case are those work-related injuries / illness that result in death. Number of days lost for each fatal case shall be 180 days.

Loss Time Injury (LTI):

If an employee is unable to work on his next scheduled shift because of a work-related injury / illness; presence at the site does not constitute work.

Restricted Work Day Case (RWDC):

RWDCs are injuries which are severe enough to prevent a person from performing normal duties, but not so severe that lighter duties cannot be performed.

$$\text{Lost Time Injury Frequency Rate (LTIFR)} = \frac{\text{No. of Incidents (Fatal case + Lost work day)}}{\text{Total manhours worked by all employees}} \times 200000$$

$$\text{Incident Severity Rate (ISR)} = \frac{\text{Total days away from work (Fatal +LWC)}}{\text{Total manhours worked by all employees}} \times 200000$$

Environmental Incidents: Any spillage of more than one barrel of chemical / hydrocarbons is considered as environmental incident.

Medical Treatment Only Case (MTOC):

All MTOC is a work-related case for which medical treatment is given, but that does not result in a RWDC or LWC.

Property Damage Incident:

Loss damage incident which result a loss amounting more than US 10,000\$

Motor Vehicle Incident (MVI):

An undesired occurrence of event involving a motor vehicle that results in loss damage of Vehicle, property amounting over US 1000\$. MVI covers – a motor vehicle owned, leased or rental that is assigned to its company employee.

$$\text{Total Recordable Incident Rate (TRIR)} = \frac{\text{Total recordable Incidents (Fatal + LWC + RWDC + MTOC)}}{\text{Total manhours worked by all employees}} \times 200000$$

$$\text{Motor Vehicle Incident Frequency Rate (MVIFR)} = \frac{\text{Total motor vehicle incidents}}{\text{Total number of kilometres driven}} \times 1000000$$

Guidelines for Submission:

Applications are accepted in electronic format only (Online through ASSP Website / Online transferring media like Wetransfer etc / USB)

1. PART I - Organization Profile and evidence for relevant KPQ's
2. PART II - Lagging Indicators for the preceding three years (required only for HSE Excellence Award Applicants)
